

DDC Budgam inspects ongoing works of various developmental projects in Chrar i Sharief

Issues directions to ensure area is polythene free and to conduct anti encroachments drive

Budgam, July 24: DDC Budgam Dr. Syed Sehrish Asgar, today inspected the ongoing various developmental works in Chrar i Sharief area of Budgam.

During the visit, the DDC directed the Tehsildar and Municipal Authorities to ensure that no illegal construction takes place in the area especially around the shrine . Further they were directed to conduct anti encroachment drives and get state land cleared if any has been encroached at the earliest.

During the visit the DDC directed the concerned to enaure that the area is polythene free and the concerned authorities were directed to launch anti polythene drives on war footing.

The DDC also visited the shrine of Alamdar i Kashmir and took stock of various works being executed there.

The DDC laid emphasis on cleanliness and sanitation. She directed the concerned Municipal Authorities to identify suitable location for dumping of waste within a week. Further instructions were passed on to concerned to ensure decongestion of the main town.

Meanwhile, various public delegations also called on the DDC who gave them a patient hearing and assured them that all their genuine grievances would be addressed on priority.
