

DIV Com Inspects proposed F&ES Complex site in Budgam

Directs DDC to submit report within 3 days

Budgam, July 09: Divisional Commissioner Kashmir, Baseer Ahmad Khan accompanied by District Development Commissioner Budgam Dr. Syed Sehrish Asgar today inspected the proposed site for construction of new 4- bay Fire & Emergency Services (F&ES) Complex at DC Office Road Budgam.

During the inspection of the site, the Divisional Commissioner was told that the proposed land is Kah ' charaie measuring four kanals.

On the occasion, Divisional Commissioner directed DDC Budgam to submit the detailed report taking all aspects including road widening into consideration, within three days for further course of action.

With regard to the proposed site, Divisional Commissioner said the site as adjacent to the main road seemed to be feasible for the construction of F&ES complex that would be equipped with all the latest facilities.

In this regard, DDC Budgam directed the Revenue and all other line departments including Social Forestry and R&B to work in unison so that the report is submitted within the stipulated time frame.
