

Free Cardiology Medical Camp held at District Hospital Budgam

Budgam, June 18: The Medanta Medicity Gurgaon, New Delhi in collaboration with Jammu and Kashmir Press Association today conducted a free Cardiology Medical Camp at Agha Syed Yousuf Memorial District Hospital Budgam. Deputy Commissioner Budgam, Mr. Mir Altaf Ahmad inaugurated the camp. Medical Superintendent, officers of Health Department and President J&K Press Association, Ghulam Hassan Kaloo were present on the occasion. On the occasion, the Deputy Commissioner also inspected various wards and interacted with patients and inquired about healthcare facilities being provided to them. He assured that their genuine demands have already been taken up with concerned authorities and shall be addressed soon. He informed that a Detailed Project Report of Rs 1.23 Crores for modernization of the hospital and to equip the hospital with the latest equipments has already been submitted. He also directed the hospital administration for ensuring hygienic conditions in and around the hospital. He also appreciated the role of media and health department in organizing such camps which dissuade the patients from undertaking long journeys to avail state of the art health care. During the camp, the super specialists from Medanta examined many patients and various tests were done on the spot.
