

DDC Budgam reviews preparedness for biometric coverage under Aadhaar.

BUDGAM, January 16, 2017: DDC Budgam, Mr. Mir Altaf Ahmad today convened a meeting to review the arrangements being put in place for biometric coverage of population under Aadhaar scheduled to start in a day or two after the requisite Enrolment Agency Code is provided to the vendor by UIDAI. Besides the representatives of Vendor agency the meeting was attended by ACR Budgam, all Tehsildars and concerned officers of district Budgam.

The meeting was informed that upto 25th of October 2016 , 86.95% of population stands covered and 70% of Aadhaar cards have been generated.

Speaking on the occasion, the DDC enjoined upon the Tehsildars to implement the action plan already formulated in letter and spirit. It was decided that the vendor shall deploy two human resources with requisite paraphernalia at all Tehsil Hqrs and two additional resources with requisite paraphernalia shall be deployed at Niabats or at well publicized locations in each Tehsil.

The DDC stressed on all to ensure that priority is given to those areas where percentage coverage is very less and to ensure that the process is hassle free and common man doesn't have to face any inconvenience.
