

DDC Budgam reviews status of Smart/Eco Villages in Budgam.

Budgam, 21st January 2017: DDC Budgam, Mr. Mir Altaf Ahmad, convened a high level meeting today of district officers/ sectoral officers regarding Smart/Eco villages at Lassipora and Utterpora.

A threadbare discussion was held on the guidelines framed and deliberations on the proposal were held.

On the occasion, DDC Budgam sensitized the participants on the nitty- gritties involved in the implementation of the proposal. DDC Budgam directed the officers for framing of individual perspective plans of their respective department which would then be consolidated. The DDC stressed on framing the plans with emphasis being on improving the living standards of the inhabitants of these villages and on skill/capacity building of the populace.
