

Arrangement for ensuing Maha Shivratri finalized in Budgam.

Budgam, 20February: The District Development Commissioner, Budgam, Mr. Mir Altaf Ahmad today convened a meeting of concerned officers to finalize the arrangements for ensuing Maha Shivratri festival commencing on 24th February 2017.

Giving details about the arrangements finalized, the DDC said the department of fisheries has been directed to keep trout/corp fish available at pandit colony sheikhpora from 22-02-2017 onwards. In addition for the convenience of other pandit consumers residing in other parts, the department will also keep fish available near Imambargah chowk Budgam. Similarly the Chief Animal Husbandry Officer has been advised to keep chicken at 10% concessional rates at pandit colony sheikhpora beyond the already fixed govt. rates. For the convenience of pandit population, the department of health will keep first aid mobile vans accompanied with doctors round the clock available during festive period at concerned locality.

During the meeting the DDC stressed upon the department of PDD and PHE to ensure the uninterrupted electricity and water supply in the pandit localities during the festive days.

In order to control the black marketing and hoardings of essentials during this period special squad will monitor this all and any one found offending the norms will be seriously dealt under law. He urged up on the concerned departments to ensure cleanliness and place temporary dust bins for dumping garbage.

Further the DDC directed the department of Food supply and Consumer Affairs to provide the ration quantity of march in advance o the pandit localities.
